

## The Newcomer

It was an ordinary Saturday morning. Dave was up early to walk his dog. He was heading home when he met a couple of girls from school. One of the girls he had known for a long time but the other was new to the school and nobody really knew where she had come from.

The girls were planning a hike up in the mountains **beyond** town. They asked Dave if he would help them find a short cut to a **beautiful** waterfall, which was the biggest **tourist** attraction in the area.

Since Dave was very attracted to the **mysterious** newcomer, he agreed to show them the way. A short time after they started their hike, Dave noticed that his dog was acting a little strange. Soon Dave was busy talking to the girls and forgot all about his dog.
