Young love

One of the most important feelings in life is love.
When you fall in love, it has a great influence on your life.
One moment you feel that you are on top of the world,
the next moment you are miserable.

Teenager in love

Each time we have a quarrel
It almost breaks my heart
 ¹⁾ 'Cos I am so afraid
That we will have to part.
Each night I ask the stars
 The stars up above
Why must I be a teenager in love?
One day I feel so happy
Next day I feel so sad
I guess I'll learn to take
 the good with the bad.
Each night I ask the stars up above
 (I ask them why)
Why must I be a teenager in love?
I cried a tear (I cried a tear)
 For nobody but you
I'll be the lonely one
if you should say we're through.
Well if you want to make me cry
 That won't be so hard to do
And if you should say goodbye
 I'll still go on loving you
Each night I ask the stars up above
 (I ask them why)
Why must I be a teenager in love?
I cried . . .
