## Young love

One of the most important feelings in life is love. When you fall in love, it has a great influence on you life. One moment you feel that you are on top of the world, the next moment you are miserable.

#### Teenager in love

Each time we have a quarrel It almost breaks my heart 1) 'Cos I am so afraid That we will have to part. Each night I ask the stars The stars up above

Why must I be a teenager in love? One day I feel so happy Next day I feel so sad I guess I'll learn to take the good with the bad.

Each night I ask the stars up above (I ask them why)

Why must I be a teenager in love? I cried a tear (I cried a tear) For nobody but you I'll be the lonely one if you should say we're through.

Well if you want to make me cry That won't be so hard to do

And if you should say goodbye I'll still go on loving you Each night I ask the stars up above

(I ask them why) Why must I be a teenager in love?

I cried . . .

# My kind of music

'Thank you for the music,
the songs I'm singing.
Thanks for all the joy they 're bringing.
Who can live without it,
I ask in all honesty
What would life be?
Without a song or a dance
what are we?
So I say thank you for the music
For giving it to me'.
