46. Umset til enskt

Tá ið eg kom heim úr skúlanum í dag, bleiv eg glað,  
 tí tað luktaði so væl í húsinum.  
 Vit fingi ein sera góðan døgurða – enskan búff,  
 sum smakkaði ógvuliga væl.  
 Búffurin var moyrur og væl steiktur.  
 Mamma var vakurt ílatin og pápi smíltist lukkuliga.  
 Tá mintist eg knappliga, at tað var teirra brúdleypsdagur.

enskur búffur: *beef steak* [steik]  
 moyrur: *tender*  
 væl steiktur: *well-done*  
 ílatin: *dressed*  
 brúdleypsdagur: *wedding anniversary*
